

# DRIVERGENT HAND SANITIZER

David Holls,  
President

“ We began to manufacture Hand Sanitizer here in Metro Detroit Michigan in response to the COVID-19 coronavirus pandemic. As our main operations were temporarily shut down due to social-distancing guidelines, we felt compelled to find a way to help those in need.

We're passionate about helping everyone stay safe and healthy so we can all get through this time of need. It is our goal to be a continuous and affordable source of these vital products for as long as needed. ”
